To whom it may concern,

Hi,

My name is Alexia Varnava, and I am the Head of the Medical Department at Biotronics in Cyprus.

We are interested in the VM-2160 handheld oximeter. Could you please provide us with more information, including the technical specifications and a quotation?

Thank you very much in advance.

Kind Regards,

Alexia Varnava

Sales Manager

Head of Medical Department

Good afternoon Alexia,

Thank you for your enquiry.

Part number 0012165 - the VM-2160 SMARTsat uses high-performance SpO2 technology enabling accurate and reliable monitoring of all patients, from neonates to paediatrics to adults.

The ergonomic VM-2160 SMARTsat handheld pulse oximeter has the durability of a compact and lightweight handheld unit for spot-checking of SpO2, but also has the power and functionality of a stand-alone pulse oximeter. The very latest and innovative signal processing technologies and algorithms enable precise measurements, even under very difficult physiological conditions. Some features to not are as follows:

- For spot checking or constant monitoring of SpO2 and pulse rate
- Incorporating SMARTsat SpO2 technology
- Clear and bright, colour TFT display
- Robust, ergonomic design with durable silicone protective cover
- Includes a SMARTsat reusable sensor
- Stores and restores up to 480 hours of trend data
- Adjustable high and low alarms
- Antibacterial keypad

The standard accessories include:

- 1 x Reusable Sensor
- 1 x PC Software
- 1 x USB Data Cable
- 1 x Silicone Protective Cover
- 3 x AA batteries

The following language packs are available:

0012165 - Central European - English, Afrikaans, Dutch, French, German, Hungarian, Italian, Polish, Portuguese & Spanish

0012166 - Scandinavian - including English, Danish, Dutch, Finnish and Swedish.

0012167 - Special EU Characters - including English, Greek, Russian and Turkish.

I have attached the instructions for use, I do not have a technical document to send you.

The price is €495 each EXW. These are currently in stock.

Included with the device is **one free of charge item of your choice from the list below:**
