Dear Paul,

Please find attached your proforma invoice for the required sensors.

I've checked availability with our warehouse and can confirm that, once payment is received to secure the stock, we have sufficient quantities to fulfil your full order. We would then be able to dispatch within 1–3 working days.

There was some conflicting information on my screen initially, which caused a bit of confusion, but I'm happy to confirm that we do have enough stock for you.

If you are happy with the attached Proforma Invoice and do not need to make any changes, payment can be made via the following link:

<https://app.squareup.com/pay-invoice/invtmp:730b6c5e-1979-4ea9-be67-96d8fc1b918b>

Regarding the problem you were having with the cross-reference on our website, I have left a message with my colleague to look into this next week - unfortunately she is not in the office today.

If you have any questions, please do not hesitate to contact me.

Kind regards
