Thank you Steven,

[@Sophie Lines](#) please can you send the remaining 3 pairs you have left for this order. I'll have a look into the secure sleeve for future orders.

Thanks again

This message originated from outside of NHS.net Connect. Please do not click links or open attachments unless you recognise the sender and know the content is safe.

Good afternoon,

Thank you for your order 3407874 for 4x 3810050 (Posey Elbow Splints - Infant). Unfortunately, we only have 3 pairs left in stock. The product has been discontinued so we would only be able to send our 3 remaining pairs, and are unable to fulfil the full amount on your order.

We are able to recommend an alternative product which you may find suitable:

**Part number 3810030 ( Posey SecureSleeve - Infant - SINGLE) £22.20 each plus VAT.**

## SecureSleeve

- An external hand, wrist, elbow and knee splint
- Waterproof outer cover
- Inner lining of soft cotton adds extra comfort against the skin
- Translucent fabric allows the splint to remain in place during X-rays
- Polystyrene bead filling conforms to the limb and helps equalize pressure with comfort and stability
- Nylon loop may be pinned or clipped to patient's sleeve to prevent sliding off

As you can see, this is a different product to the elbow splints:

## Elbow Splints

- Patients requiring an external limb splint
- Wraps around the arm and secures with hook and loop
- May be pinned to clothing to hold them in position
- Stiffeners may be removed for laundering; machine washable

3810050     **Infant:** up to 2 years, one pair per pack *Model: 4642*  
100 mm length

3810051     **Paediatric:** 2 - 7 years, one pair per pack *Model: 4643*  
170 mm length

**Available whilst stocks last**

I have attached the Posey Products leaflet for you to assess whether the alternative SecureSleeve would suit your needs?

**Please let me know how you would like us to proceed with your order?**

Kind regards
