Dear Analissa,

Thank you for your email. I am sorry you were not able to get through to us on the phone - that is our correct number, and we have been receiving other calls today, but I will mention it to IT in case there is a problem.

I can confirm we supply part number 0110023 (R-23V Oxygen Sensor) and currently have stock available for immediate dispatch. I can confirm the price breaks are as follows:

1 unit - £43.10

2 units - £ 41.05

3-10 units - £39.00

11+ units - £36.95

I can see you do already have an account with us, so if you were to email across your Purchase Order, we could get this processed as soon as possible and you would receive this before Monday 16th February.

If you have any questions, please do not hesitate to contact me.

Kind regards

Sophie Lines
