Good afternoon,

Is the attached sensor in stock and could we order 10 pcs as last time? If so, could you please send us your proforma invoice?

Thanks in advance for your support.

Best regards,

Christina

Good afternoon,

Thank you for your email. Unfortunately, we did not receive your first email, so please accept our apologies for the delay. I have generated a Proforma Invoice for 10x 0110122 (R-22A Oxygen Sensors) as per your request, including delivery costs to you in Germany. We have these sensors available in stock, so could dispatch them within 3 days from receipt of payment.

If you have any questions or would like to make any changes to the order, please do not hesitate to contact me.

Kind regards

Sophie Lines
