Kate,

One final question if I may, the £12.00 carriage – is that per bracket? If we order 15 brackets, would it really be £180.00 carriage??

Good morning Doug,

Thank you for your email.

Part number 0320452 is a non stock item, the price is £70.40 each, plus £12 carriage. I would estimate a 3-4 week lead time.

We do not have an alternative blender bracket - rail/pole mount.

Viamed has a no minimum order quantity policy.

Please let me know if you would like a proforma invoice.

Many thanks.

Kind regards

Good morning,

We are looking for a multi-purpose clamp for mounting devices to various frames / poles, from your website the following is of interest:

Maxtec Blender Pole/Rail Mounting Bracket Part Number: 0320452

Can you please advise if you hold stock of these and if there is a minimum qty or value order required.

If the above is not in stock, do you have any similar products as alternatives?

Regards

Doug
