Hi Kate

I think I will need the two cell models for Draguers Fabius GS machines, can you send me a quote with freight for the 3 R23V cells that you tell me works and another quote for 3 R23V and 3 Honewell 00201 cells so I can decide please

Best regard

Good morning Alan,

Just a quick email to ask if you still require a quotation for part numbers 0110023 or 0110580?

Many thanks.

Kind regards

Good afternoon Alan,

Thank you for your email.

According to our system, the sensors for a Draeger Fabius GS are part numbers 0110023 - R-23V and 0110580 - OOM201.

The prices are as follows:

0110023 - R-23V \$43.75 each EXW. These are currently in stock.

0110580 - OOM201 \$43.75 each EXW. The lead time is mid March.

Do you need a quotation for 4 x 0110023?
