Dear Karine,

Thank you for your email - apologies for the delay in my reply, I am just awaiting the price from a colleague, as it is not currently listed on our system.

We do not believe that the carriage will cost more due to being a battery. Hopefully I will be able to email you a quote including carriage tomorrow.

Kind regards

Dear Kate,

Could send me a price for ENVITEC MY SIGN O battery Li-ion 3.6 V 2900 mAh?

Is the shipment more expensive because of batteries transport regulation?

I was wondering if you have a price list for ENVITEC available accessories?

Thank you

Have a nice day
