MAN162035 - please could you **check** this for DMD Concepts? Thank you (used £50 carriage/UPS as per their order from Jan 2025)

Ryan 11:00 AM

sorry, I think UPS have increased their pricing so we can use the same W&D, but we need to calculate the UPS

Kate 11:01 AM

I don't have the w/d, I will ask Cathy 😊

Kate 11:12 AM

UPS charge is £63.72, so with VAN logic, round up to next £ £64, add £5 = £69 ok?

Ryan 11:26 AM

perfect, thank you Kate

Kate 11:27 AM

Thank you, I will put it in normal **checking** 😊
