Hi Kate,

Thank you this is what I am after. Please may I have a quote?

Kind regards,

Onye

Thank you Onye,

I believe that you require part number 0310200 - Low Flow Air/Oxygen Blender, 0 - 30 lpm Inspiration BM2003AR with rail mounting. BM2003AR

This includes the following:

0320210	0 - 15 lpm Flowmeter
0320220	Flowmeter Tapered Outlet Connector
0320216	3.0 m NIST Oxygen Hose with MkIV BS Probe
0320217	3.0 m NIST Air Hose with MkIV BSProbe
0320214	Blender Rail Mount Bracket

Air and Oxygen inputs - NIST

Outputs - DISS:

Primary (left): 3 - 30 lpm (no bleed)

Auxiliary (right): 0 - 30 lpm (with 3 lpm bleed)

If I am correct, please let me know and I will issue a quotation for four. I am unable to offer a discount.

This is a non stock item and will have a lead time. I would be able to provide a lead time at a later date if you choose to order.

If I am correct, please let me know and I will issue a quotation for 4 x 0310200 as soon as I am able. There will be a slight delay for the quotation as a colleague would need to obtain a price for shipping by pallet. **Would the delivery address be as follows** (subject to a change of department to match the PO of course):

St Thomas Hospital
Supplies Distribution Centre
North Wing Loading Bay
Lambeth Palace Road
London
SE1 7EH

I look forward to your reply.

Kind regards

Kate Griffiths

Good afternoon,

Thank you for your email.

Please see leaflets attached for our choices of blender.

Are you able to let me know which you would like a quote for please?

Many thanks.

Kind regards

Hello,

Please can we have a quote for the low flow air/oxygen blender with rail mount and with both air and oxygen hoses?

Please can we have a discount for 4 units?

Kind regards,

Onye
