**catrin.hollings** 1:49 PM

Please process a FOC order for 4421123 x 5 and 4310007 x 1.

I will email him now telling what you are going to do.

Unfortunately, we will not get the water traps in time.

SN said he spoke to you about this end of last week 🙄

Please make sure CG is aware regarding the breaking down of 4420923 if needed.
