Conditions

If any items are out of stock or there is a price discrepancy - please contact the above telephone number or email address. NHS standard terms and conditions apply (copies of which are available on request).

Public authorities spend an estimated £175 billion each year on buying goods and services from the private sector. The new equality bill encourages public sector authorities to insist that suppliers meet equality standards. The Trust therefore expects that all contractors comply with current equality and human rights legislation and have evidence to support this if required.

West Suffolk NHS Foundation Trust will distinguish itself by making sustainability a part of all we do. In partnership with patients, staff and the local community, our strategy captures the social, environmental and economic impact of our actions.
