Hi again, just **checking** Nammu Tec proforma, their price list shows £10 carriage, other VST companies are now £12. Does that need changing? Shall I ask Aqib to use £12 carriage?

Steve 9:16 AM

I can't see whether Aqib sent the price list to Nammu?

Kate 9:19 AM

Aqib says he did not send the price list

Steve 9:22 AM

Have they received the proforma yet?

Kate 9:22 AM

No, just **checking** it now

Steve 9:23 AM

OK, then increase the UPS. I will update the price list.

Thank you
