Dear Sylvain,

Thank you for your emails.

I have now attached a **Proforma Invoice** for **5× 0110990 Carbon Monoxide (CO) Gas Sensor A3MEF CiTiceL with mV output**. As requested, I have amended the shipping to be sent using your **UPS account (0451FC)**.

To answer your questions:

- The sensors are supplied **sealed**

- The pricing quoted is our **distributor pricing** and is the **best price we are able to offer**, even for the quantity requested.

If you are happy to proceed, payment can be made using the bank details provided on the proforma invoice.

Please let me know if you need any further information.

Kind regards
