Please process this order but put on priority 8, awaiting reply from customer to the following:

"MaxO2+AE is sold with a MAX-250E sensor included. Do you still need the additional sensor?"

Thanks
Catrin

Hello Catrin,

Forgive me if you are not the best person to send this order to, so please feel free to send it to a more suitable department.

Please find attached an initial order for the items we have been discussing recently. Could you (or someone else) confirm receipt and give me an idea of lead time please?

Thanks
Stephen
