Hi Kate,

Part shipment will be absolutely fine.

We are not desperate for the items not in stock, they were simply to make sure we had stock on the shelves. However, if you could let me know a lead time when possible that would be great.

Thank you.

Kind regards,

Hi Ashley,

Thank you for your order.

We have no stock of part numbers 4420511 and 4420521. I haven't looked into the lead time yet, but wanted to ask if you require part shipment (which will mean 2 lots of carriage) or if you prefer to amend your order.

I look forward to your reply.

Kind regards

Hi Ashley,

Thank you for your enquiry.

I am unable to give you a price just now as it looks like it is under review. I have asked Steve Nixon to confirm - he is in a meeting all day today - but I should be able to reply to you tomorrow.

On the plus side, these are in stock.

Many thanks for your patience.

Hi Kate,

I hope you're well.

I've had a client get in touch asking about a silicone cover for a VM2160, fairly urgently, which I have to say is a first for me!

Would you be able to let me know availability and pricing when you get a chance? There's a good chance I'll be putting an order together in the next couple of days, so if I can get a price from you, I can look to include it alongside the rest.

Thanks in advance for your help.
