Hi Carl,

Thank you for your reply. No problem, I will update the quotation to show the following items and email it to you soon:

2510091 - TOF 3D Neuromuscular Transmission Monitor

2510102 - TOF 3D Main Patient Cable

2510104 - TOF 3D Acceleration (AMG) Transducer

2510103 - TOF 3D Stimulation Cable with pinch clamps

Carriage

There will be no adaptors included in the quotation.

This is the information that we pass on to customers relating to the adaptors:

There are now four different monitoring accessories available for the TOF 3D Neuromuscular Transmission Monitor **to allow secure placement of the accelerometer for accurate twitch response monitoring:**

- 2520111 - Thumb Adapters (single use): £46.20 + VAT / pack of 50

- 2520112 - Eye Adapters (single use): £84.20 + VAT / pack of 50

- 2520110 - Hand Adapter (reusable): £39.60 + VAT / each

- 2510106 - **NEW** MMG Sensor Hand Adapter (reusable): £875.00 + VAT / each

Please note: for hand placement, you can choose the reusable hand adapter, the disposable thumb adapters or the new MMG sensor hand adapter - they are not designed to be used together. I have attached an Instruction Manual for reference, which illustrates the placement positions. Please note this user manual is in the process of being updated by the manufacturer to include the MMG sensor hand adapter.

Good morning Carl,

Thank you for your reply.

Please see attached quotation, valid for 30 days.

I have added two lines to the quotation as the TOF3D needs to be used with some kind of adaptor. I have added 1 x 2520110 TOF 3D Hand Adapter and 1 x 2520111 TOF 3D Thumb Adapters (Box of 50). **Either or both can of course be removed from the quotation as required. Please let me know.**
