Please process as VST orders from rEvo:

600 x 8010006 - set scheduled shipment date to 7th July  
600 x 8010006 - set scheduled shipment date to 9th August

Steve

Thank you Steve,

That is good to know

Please see next po's for july and august

Can you work with that?

Br

Pieter

**Subject:** [EXT] Update on oxygen sensor orders

Hi Pieter

The current forward orders are as follows:

May 600 sensors

June 500 sensors

At the moment we have have extra sensors, but we can rotate these down over the next orders.

Do you have any idea of your requirements for July, August...?

I'm just trying to ensure that we have on-time deliveries for you.
