Dear Sir,
Good afternoon, and thank you for your clarification.
Please find below our details for the quotation:
Company Name: Société FM Prodi
Contact Person: Harrath Mohamed
Address: Tunis, Tunisia
Postcode: 2070
Phone / WhatsApp: +216 98 800 801
Thank you also for confirming that the UFO 130-2 is compatible with the UFO 130-2MG. This is well noted and appreciated.
We would be grateful if you could provide us with your best possible price and delivery conditions, as we are looking to establish a long-term cooperation and develop this product in the Tunisian market. We are also ready to increase quantities if the conditions are competitive.
Looking forward to your quotation.
Kind regards,
Harrath Mohamed

Good afternoon,

Thank you for your reply. Please can you provide your full addresses including postcodes in order for me to provide you an official quotation with delivery costs? I would also require a contact number.

To answer your question - the UFO 130-2MG is labelled as such for an OEM (Medical Graphics). The standard UFO 130-2 that we supply would be suitable as a replacement, as it is the same sensor.

Kind regards

Subject: Request for Quotation – UFO 130-2 Oxygen Sensor
Dear Ms. Lines,
Thank you for your reply and for confirming the availability of the UFO 130-2 Oxygen
Sensor (Part number 0110081).
We would like to proceed with a test order of 2 to 3 units.
Please find our company details below:
Company Name: FM PRODI
Country: Tunisia
Kindly provide us with a formal quotation including delivery costs to Tunisia, estimated
delivery time, and payment terms.
Additionally, we noticed another reference, UFO 130-2mg, in some documents/images.
Could you please clarify the difference between the 130-2 and 130-2mg models? Are
they compatible with the same devices?
We look forward to your quotation and clarification.
Best regards,
