

Cathy.Green 7:45 AM

or you can offer them parcelforce, which has better insurance on it, and needs a signature on delivery add
viamed cost and convert to usd.

Screenshot 2026-04-14 074302 Razertronics Parcelforce 20260414.png (169.52 kB) > 

on eith one use the value on the right of the screen shot

we will also need a contact name for the order, and an email address that they would lije to use as we
have used razertronics at the moment
