Hi Emily,

I have just received the order AP16460169. When I phoned I asked for the part number for a MAXO2 rear cover that has the bracket on the back. I was told this is the battery cover, so I placed the order. On the Delivery Note it shows as MaxO2 ME Battery Cover (R228P09) - which I assume is the correct part. But the part that has been sent is OM-25 BATTERY COVER (R212P91)

Thanks,
