Dear Teemu

Thank you very much for your email.

We would be very happy to supply you on a trade basis.
We do not impose any minimum order requirements, but we would ask that your initial orders are prepaid, this can be done by bank transfer or credit card.

Please find some information and our trade pricing attached.

I have set up your company on our system, please can you send me your company EORI number and VAT number?

Is the address in your email signature the one we would use for billing and shipping?

When you are ready to place an order, please just email myself or our email address

I look forward to hearing from you and we welcome any questions you may have.

Kind regards

We would be interested in reselling and marketing your products in Finland.

We have diving training activities and sales of diving equipment www.sukeltajankauppa.fi

We are a relatively small operator in Southern Finland. This year, we have also added to our client base actors from the authority side, which is a new and great opportunity for us.

We have problems in certain product areas and we would need a supplier from whom we could get quality products quickly and reliably.

We used to get Vandagraph products from a wholesaler, but they are no longer available. We would definitely like to continue selling Vandagraph products to our customers.

What kind of cooperation opportunities would we have?

We are looking for a long-term partner 🤝
