# Your adventure begins...

Thank you for your booking, we hope you have a great holiday.

If you haven't already done so, be sure to download the new Club App where you can always access your booking details, plus view your digital membership card.

## Before you travel

Ahead of your arrival, please check our 'Before you travel' webpage at [camc.com/beforeyoutravel](https://camc.com/beforeyoutravel). It's a really useful place for you to see any important information like road diversions or essential works.

In addition, please also check the individual campsite webpage for full details and latest updates.

## On arrival

Please ensure you arrive at or after the earliest arrival time (noted below, it's 1pm at most campsites), in order to allow our site teams to prepare the site for new guests arriving, and also keep things as safe as possible for our departing guests.

Please note: specific pitch numbers can't be booked in advance, but our Site Staff will do all they can to help you on arrival.

## Amending or cancelling

Remember to Book Smart! We know plans sometimes have to change and that's ok. Just let us know as early as possible if you can't take up your pitch so it can be made available to fellow members. Unless otherwise advised, your deposit is fully refundable if you amend your booking or cancel your booking more than 21 days before your booked arrival date.

You will lose the deposit paid for amendments and all cancellations made within 21 days of your booked arrival date (for example if you cancel a night or multiple nights of your stay, or if you reduce the number of guests on the booking within 21 days of your booked arrival date you will lose a part or all of the deposit paid).

You can view your booking, and amend or cancel online if necessary at [camc.com/my-bookings](https://camc.com/my-bookings)

We hope you enjoy your holiday with us and we look forward to seeing you.

### Important Information

This site does not have a toilet block.

Adult only. Please ensure your booking only has adults selected and you intend to only stay with adults during your holiday.

Alternative arrangements need to be made should your arrival be delayed beyond 8pm as this site does not have a late night arrivals area.

Reception at this site closes earlier than 8pm so staff may not be available to greet you. If this is the case, don't worry, you can still arrive on site until 8pm. We will simply contact you on your day of arrival with details of how to check-in. Please ensure you have provided a mobile phone number on your booking/membership profile.

Due to size restrictions it may be necessary to allocate pitches
