Dear Magdalena

I am sure we can spare one sensor if you need it urgently, but you would need to place the order very soon. Alternatively we should have a new batch ready for the 2nd week of May.

Kind regards

Dear Magdalena

Thank you very much for your email.

We are very short on stock at the moment, as there have been some delays with the most recent production run. We have a small amount of stock and we have more in the pipeline that should be ready in a couple of weeks.

Please can you tell me how many you require?
