### Comments

Please provide any further details that will help us understand your figures and tell an industry story

**Zero figures explained:**

- **Climate Change Levy: £0 — gas bills show CCL rate of £0.000/kWh**
- **Capital assets (software, intangibles): £0 — no capitalised development or asset acquisitions/disposals in period**
- **International services income: £0 — all rest-of-world sales (£1,229,434) are goods, not services**
- **International services expenditure: ~£200 — only foreign service is exhibition catalogue entry (€200)**

**Business changes: No significant changes to business structure or activity during 2025.**
