Ryan,

thanks for your feedback about the manufacture dates of UFO130-2 sensors, because of the Oxygen sensors have warranty of only 12 months. and limited shelflifem period, users are critical about the sensors' prdouction date. furthermore, we couldn't place many more quantity order for stock at one time to save the cost.

as mentioned by Aqib,
you have latest manufacture date of 28th January,
please change the order qty as 40pcs with manufacture date of 28th January 2026, thanks
