Dear Steve,

thank you for your reply. So please reduce the framework order from August to 300 pcs / month. If the quantity can be reduced earlier, we will be pleased

Thank you in advance.

Dear Jarmila

At the moment we have the stock for May/June/July under process.

If you wish we can amend any of the orders from August through to December. Do you want to cancel any orders or reduce the quantities?

Regards

Steve

Dear Steve,

I would like to ask you about the possibility of reducing our framework order. I currently have a large stock of sensors in stock.

Is it possible to reduce deliveries, if so, from when?

Thank you

Best regards
