Hi, please add 1x R-33VAN (RP) - 0110239 to their order/proforma.

In stock and if we don't, we can still make them within a couple of days.

Thanks, Ryan

Great!

Looks like you have an O2 sensor replacement for the Analox 9100-9212-5AD for this guy

Do you have it in stock? If so, we'd like one also.

Hi Paul

Thank you. Please find a proforma invoice attached for 4x units and carriage costs.

Please note that the pricing is in GBP British Pounds.

If you are happy to proceed, then please either make your payment to the account details listed at the bottom of the invoice or I can send you a secure payment link if you would prefer to make a card payment.

Please let me know if you have any questions or concerns.

Best regards  
Ryan

Hi Paul

The TEK-OX is GBP £125 each EXW, when purchased in 2+ quantities, but we do not impose any minimum order quantities.

Hi Paul

Sorry for the confusion, the 7990113 is a reference for the leaflet. The part number you require is 7910201.  
If you mention only TEK-OX on an order, we would automatically supply the 7910201.

Best regards  
Ryan

Hi Ryan,

Thanks for the reply.

The kit in spec sheet looks like what we want, but the 7990113 P/N isn't on the Trade Price List. Describes like P/N 7910201....just want to me sure which one it is.

Please advise,  
Paul

Hi Paul

Thank you very much for your message.

We do not have a US distributor, but we would be very happy to supply you directly at our trade pricing.

Please find some product information and our trade pricing attached.  
Please note that the TEK-OX (7910201) has a discounted price for orders of two or more.

If you would like me to prepare a quote with shipping costs, please just let me know what you need and I will come straight back to you.

I look forward to hearing from you and please never hesitate to contact me if you have any questions.

Best regards  
Ryan

Hello. I saw your TEK-OX analyzer on a dive boat in Cozumel. Thought it was very cool. Do you have US Distributor and/or wholesale pricing so we can sell your product in our dive shop?

Thanks,
