Subject: Obsolescence and Last-Time Buy Opportunity for MySign, OXIPEN and ChipOx Series Product Families

Dear Valued Customer,

This letter serves as a formal notification of End-of-Life process initiation for Pulse Oximetry MySign, OxiPen and ChipOx Series. We offer an opportunity to place a last time buy order as noted below. This announcement relates to part numbers listed below, and a complete list of products impacted are specified in Appendix A - Affected Part Numbers.

Due to a fixed amount of a specific component remaining inventory, fulfillment of last time buy orders will be limited and subject to cancellation at any time. It is recommended that orders be placed promptly to improve the likelihood of fulfillment. Please refer to the Timeline of Events shown below for more details.

TIMELINE OF EVENTS

The following timeline pertains to all affected SKUs. These dates are subject to change based on availability.

This decision is a part of our ongoing product portfolio review and allows us to continue focusing on investments to better serve our customers. We are fully committed to helping you manage this transition with clarity. Please reach out to your local Honeywell sales representative to discuss your transition plans or any other inquiries you may have.

WARRANTY/REMEDY

Subject to the following conditions, Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship during the applicable warranty period. Honeywell’s standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales

office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge, those items that Honeywell, in its sole discretion, finds defective. **Notwithstanding the foregoing, in the event of a product end-of-life or obsolescence, or inability of Honeywell to manufacture or source materials or component parts for a product, for whatever reason, and/or any associated last-time buy in relation to a product (an “Obsolescence”), Honeywell shall engage in commercially reasonable efforts to repair or replace products in accordance with the terms of its standard warranty, but in no event shall it be liable if it is unable to do so due to the Obsolescence. The foregoing is buyer’s sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.**

Thank you for your attention to this matter.
