Good afternoon, Mr. Majeed:

We would like to purchase three more UFO-130-2 oxygen sensors as we did in October of 2025. I note that Viamed's price is substantially the same as it was at that time. If you would please send me a pro-forma invoice current for this purchase, I will again arrange a wire transfer to your bank so that we can complete the purchase through Viamed. I attach a copy of the wire transfer from last year's purchase for your reference.

We were extremely happy with the service that we received from you and the staff at Viamed last year and look forward to working with you again to assist our students in their laboratory learning experiences.

All the best. Peace, Fr. Doug Burns, OSFS

Good morning again: (Though it's probably afternoon in the UK.)

Thanks for the information. I'm disappointed not to be able to use a credit card. I don't have a PayPal account. What do I need to do / know in order to establish a bank transfer with you?

Respectfully, Fr. Doug Burns, OSFS

Hello Doug

Good morning

Thank you for your email.

We currently have enough in stock, so if payment was made straight away for your order then we can probably dispatch the same day or early the following day.

Please advise if you want me to send you a proforma invoice for 3 x UFO 130-2's so you can make payment?

Kind regards
