Good Afternoon,

The Serial No is not very distinct on the tester, hence, I have provided you with the following numbers I found inside battery compartment:

1410000  
PR03746A12  
ID2672164

Please confirm if any of these numbers would be test equipment serial no

Additionally, can you please provide send off address

Than you,

**Barakat Suleiman**
