Good morning Lill,

Thank you for your email, please accept my apologies for the delay, I was waiting instruction from our commercial director.

Unfortunately we have learned that there are production delays for the R-17A sensor.

We can offer a proven compatible 0110177 - oxygen sensor - Automotive R-17AVG at the lower price of \$31.70 each.

Please let me know if you would like the alternative (in stock) instead. Please see attached specification sheet.

Many thanks.

Kind regards

Kate Griffiths
