Good morning Hanna,

Thank you for your enquiry.

The price of part number 0110432 (R125P02-003) oxygen sensor MAX-250(B) is \$70.80 each EXW. These are currently in stock.

If you require a proforma invoice detailing carriage charge, bank charges and insurance, **I just need your full invoice and delivery addresses.**

We use UPS for shipping but you can of course arrange your own courier.

We accept payment by bank transfer and PayPal (which incurs a 6% fee).

I look forward to your reply.

Kind regards
