Subject: Purchase order for payment now but delivery in Dec 2026
To: enquiries@viamed.co.uk <enquiries@viamed.co.uk>

Hello,

Would it be possible to place an order for 9 x 0110081: Teledyne Oxygen Sensor UFO 130-2 and pay for the invoice now ahead of delivery which we wish to be in Dec 2026?

This is due to budgeting as we have funds to use before end of our financial year in July.

Please also confirm costs for these so the correct information is used to place an order.

Thanks,

Ruth
