Please can we send a proforma invoice for 1x R-17MED (USD distributor) including shipping. Please add a note to inform me once the payment is made, as I need to add some information to the invoice in regards to the USA import.

Thank you

Dear Mohamed

Thank you very much.

We do not stock the Teledyne I-17, but we have the R-17AV and R-17MED which are both compatible (I-17 is for industrial, R-17AV is for automotive industry, R-17MED is for the medical industry and has medical device accreditation). Please find our dealer pricing below:

0110127 Oxygen sensor Automotive R-17AV = USD \$41 each EXW

0110017 Oxygen sensor R-17MED = USD \$47.90 each EXW

Both of the above sensors are available from stock.
Please let me know if you have any questions or if you would like to proceed with an order.

Kind regards
Ryan

Hello Ryan,

Thanks for contacting me. I am forwarding all my email exchanges on this to you. We provided this equipment to the Ivorian government through a tender. The sensor has some issues and dealing with the component has been a nightmare. I understand export control issues and provided all the info long ago.

Please see the attached quote I initially received and let me know how we can proceed.

Thank you again for contacting me.
