Please process as a VST order from JJ-CCR for 1200 x 8010004 sensors. Set scheduled shipment date to 8th September.

Also, process two more orders, set as P8 for now:

200 x 8010004. Set scheduled shipment date to 6th August.

Hi Steve.

Yes for September I would like to order 1200 sensors

Also iff you can produce another 200 for July and August means 1200 July and 1200 August it would be great

Kind regards
