Hi Lora

I am not sure what the problem is, but would advise against ordering from our website, as it will charge you retail pricing only.

Please let us know what you need and we can send you a proforma invoice with the trade pricing.

Best regards

Ryan

Hi Ryan,

I am attempting to place an order via your site.

However, I am not receiving an SMS with the code during checkout. Or is this not intended for B2B?

Should I complete the order via email? I look forward to your reply.

Dear Lora

Thank you very much for your order and I hope you are keeping well.

Please find your proforma invoice attached, if you are happy to proceed then please make your payment to the details at the bottom of the invoice or I can send you a link if you would prefer to make a card payment.

I am happy to confirm that we have not changed our pricing this year. We only make increases when it is necessary due to increased costs.

Best regards
Ryan
