Hi Aqib,

I hope you are well and have had a nice start to the week.

Sorry to be a pain but could I cancel this order? We have received x4 of the OM11 sensors back from a customer just after I had sent the email which I wasn't expecting. They are unopened, he very quickly realised they were the wrong type so we will use these sensors to fulfil the order. The R-17 Van was to bulk the order up a bit but we have enough at the moment so we can cancel the whole order.

Kind Regards,

Beth
