Hi Kate,

Thanks for your help with this.

I'll pay with a card via Square if that's ok? We have an engineer at the customers practice this week, so it would be great if we can have him fit the sensors too.

Kind regards,
Jon

Hi Jon,

Thank you for your reply.

It is no problem, we can wait of course.

If you choose to cancel the proforma invoice and order online, the sensors will cost £71.40 each, there is no option for price breaks.

Alternatively, I can send you an invoice to pay via Square, using the existing proforma invoice?

Kind regards

Hi Kate,

I am very sorry about this - I have asked for the sensors to be paid for a couple of times. If it's ok with you, I'll order the sensors online and pay for them on my card?

Kind regards,
Jon
