Good morning Oona,

Thank you for your reply.

The price of part number 0110238 - R-22AT is £42 each. These are currently in stock.

Please let me know if you would like me to update the proforma invoice by adding 1 x 0110238. This will not affect the carriage charge.

Kind regards

Good afternoon Oona,

Thank you for your telephone order.

Please see attached proforma invoice. If you are happy with it, please let me know and I will arrange for Square to send you an invoice for payment.

Regarding the sensor for the Trimix, we can supply part number 0110248 which is compatible with Nuvair Trimix analysers sold after May 2013. When you have checked your device, I can pass any queries regarding this to Ryan.

Many thanks.

Kind regards
