Hi Aqib,

Could you please amend the attached proforma invoice to reflect an order of 35 sensors instead of 100?

Once we receive the updated document, we will process the payment and share the proof of payment with you.

Best regards,

Dimitrios

Hello

Good morning

Thank you for your order.

Please see below for your attached your proforma invoice detailing the prices and product you require including carriage costs.

Can you please have a look and see if all details on the proforma including addresses and are correct or if any amendments are required.

If your happy with the proforma and would like to proceed, could you please make payment of the PI amount so we can convert it to a order.

I do need to advise you though we have a rough lead time of 4-5 weeks as we are in wait for further stock as it is in production.

Sorry for any inconvenience caused by this.

Please let me know if I can assist with anything else.

Kind Regards
Aqib Majeed
