Dear Kate,

Before we finalize the shipping arrangements with our freight forwarder, could you please provide the total packed weight and total box dimensions for the full order (40 units)?

This is for shipping documentation purposes only.

Many thanks.

Thank you for your clarification.

Yes, the invoice address on the proforma invoice is correct.

We will provide the required proof of export once the goods are shipped to Libya, so that the UK VAT can be refunded.

Thank you for your assistance.

Thank you for your reply.

We are unable to remove the VAT as the goods are being shipped to the UK.

You can claim VAT back once the goods have been shipped via courier by sending us proof of export.

Is the invoice address correct on the proforma invoice please?

Good morning Kate,

Thank you for your timely response.

Regarding the invoice, we would really appreciate it if the UK VAT could be removed, as the goods will be exported from the UK to Libya by our appointed freight forwarder.

If we provide all the required export documentation, would you be willing to supply the goods as a zero-rated export instead of charging UK VAT?

Best regards
