Good morning Cat,

Thank you for your email.

The price breaks for part number 0110017 - R-17MED are as follows:

1 = £ 56.50	2 = £ 55.10 each	3-10 = £ 53.70 each	11 or more = £ 52.40 each
-------------	------------------	---------------------	---------------------------

These sensors are currently in stock.

Carriage is free for medical oxygen sensors and all prices are excluding VAT.

Please see attached certificates as requested. The forms that you sent to us are with my colleague, I will email them to you when I have them.

In order for me to email an official quotation, **I would need your delivery and invoice addresses and VAT number.**

Many thanks.
