Good mornig,

Thank you for your reply.

Yes, that is correct, 20% VAT will apply if you ship to a UK address. You can however claim the VAT back if you send us a proof of export form (this does not apply if a friend/colleague takes it in their luggage though).

Please let me know if you need an official quotation. For that I would need your invoice and delivery addresses and a telephone number.

Kind regards

Dear sir,

I will arrange the shipping. However, please correct me if I'm wrong: if I ship it within the UK, VAT of 20% will apply. Is that correct?

Thank You

Good morning Bash,

Thank you for your reply.

Please could I ask you for some information about their organisation/company?

In regards to shipping to Saudi Arabia, we do not know if the products are registered with SFDA.

The price breaks are as follows:

1 = \$ 72.00	2 = \$ 64.80 each EXW	3-10 = \$ 61.20 each EXW	11 or more = \$ 57.60 each EXW
--------------	-----------------------	--------------------------	--------------------------------

I look forward to your reply.

Good afternoon,

Thank you for your enquiry.

In order to assist you further, please could I ask which country you would be interested in us supplying the goods to?

If you require an official quotation, I would need your delivery and invoice addresses.

These are a non stock item so would have a newly manufactured date.

I look forward to you reply.
