VIAMED

Leading Supplier of Gas Sensors

Expanding our portfolio with  CITY TECHNOLOGY Sensors
for Multiple Gas Applications

We are excited to share that Viamed's already extensive range of gas sensors now includes the latest **oxygen (O₂), nitric oxide (NO), nitrogen dioxide (NO₂) and carbon monoxide (CO) gas sensors from City Technology**. These additions ensure that Viamed offers you the most comprehensive selection of high-quality gas sensors available, delivering exceptional performance and value.

For detailed information on the full range of City Technology gas sensors, including our new oxygen, nitric oxide, nitrogen dioxide and carbon monoxide options, please visit our website at www.viamed.co.uk/gas-sensors. You can also explore our ever-expanding cross-reference tool at www.viamed.co.uk/xref to find compatible sensors and equipment.

To place an order, or if you cannot find the sensor or equipment you need in our [online cross-reference](#), please contact our sales team at +44 1535 634542 (Monday to Friday, 09:00 to 17:30 GMT) or via email at oxygen-sensors@viamed.co.uk

Kind regards
