Hi

Please can we send Glen at Newhaven (C0ID9701) 1x R-33VAN sensor. The sensor is to charge for, but the postage is free of charge.

I am happy for it to go on as an order, rather than a proforma invoice.

I have dealt with the returns and issued Glen with an SRS.

Thank you, Ryan

Subject: O2 sensor

To: <sales@vandagraph.co.uk>

Hello,

As per our phone conversation we have 1 Tex-ox with we believe a screen issue it has a black mark down 1 side of screen.

Also we recently bought a few O2 sensors and 1 of the Sensors klased 3 days before failing this is fits the Tek-ox.

Can I also order 1 O2 sensor R33van for a Mini O2 d11

Kind regards

Glenn
