Hi, please can we add an order for 1x R-33DE for Peter at rEvo CID17629.

It is to be packed with their next VST order, so the carriage is UPS, but there will be nothing to charge.

Thank you, Ryan

Hi Pieter

I have discussed with Ryan and we can include the Vandagraph R-33DE sensor in with the VST sensor shipment. Can you please send the order to Ryan.

thx

Pieter
