Dear Aqib

I hope you are doing well.

As with our previous order, we would like to recharge our existing oxygen sensors. Could you please send us your quotation for a total of **40 sensors**, consisting of:

- 40× R-22Vi sensors

I also have one question regarding the proforma invoice. As with the previous order, could you issue the proforma invoice to our address in the Netherlands, while arranging delivery to our UK address instead? Please let us know if this is possible.

We look forward to your quotation.

Best Regards,

Dr. Mahdi Haghbin
