Dear Sales Team,

Please quote 20 brand-new original Honeywell/City Technology MND1S NO2 sensor cells, P/N AG010-H00.

They are required as replacements for SLE3600 INOSYS P/N N4117/02. Please confirm that these are the original 0–50 ppm MediceL cells with four 1 mm pins and that fresh production stock can be supplied.

Please provide the unit price, availability, lead time, date code or remaining service life, and shipping cost to Hamburg 21147, Germany.

Best regards,

Daniel Stern

Dear Daniel,

Thank you for your email. I can confirm we are able to supply the following sensor:

Part number: 0110495

City Technology Nitrogen Dioxide (NO2) Gas Sensor MND-1S MediceL Ref. AG010-H00

The price is 139.50 EUR each EXW. The lead time is approximately 3 weeks from receipt of payment. The sensors would be manufactured to order, so they would be brand new.

Please find attached an official quotation which also gives details of the carriage costs to you in Hamburg, Germany. Please could you let us know your full addresses (both invoice and delivery) and contact details?

If you require any further information, please do not hesitate to contact us.

Kind regards

Sophie Lines
