Assunto: Re: OXYGEN CELL QUOTE

Good morning,

Thank you for your reply. Please find attached a Proforma Invoice for 1x UFO 130-2 Oxygen Sensor as requested, including carriage costs to Brazil. I can confirm we do have this sensor available in stock at the moment. If you choose to proceed, we would be able to dispatch this item to you within 1-3 working days from receipt of payment.

We do not have any other compatible/equivalent sensors available for this part number.

If you have any questions, please do not hesitate to contact us.

Kind regards

Sophie Lines

Good afternoon,

Thank you for your email. In order for me to provide you with the correct information including shipping costs, please can you provide your full company details, addresses and contact numbers, along with how many units you are looking to purchase? I can then add you to our system and generate an official quotation.

Kind regards

Sophie Lines

Subject: OXYGEN CELL QUOTE

To: zoey.teal@viamed.co.uk <zoey.teal@viamed.co.uk>

Dear Sales Team,

I hope you are doing well.

We would like to request a quotation for the following item:

Product: Teledyne Oxygen Sensor

Model: UFO 130-2

Could you please provide the following information?

- Unit price
- Availability / current stock
- Lead time
- Shipping cost to Brazil
- Shipping cost to London

- Payment terms
- Estimated delivery time

If there are compatible or equivalent replacement sensors available, we would also appreciate receiving information and pricing for those options.

Thank you for your assistance. We look forward to your reply.

Kind regards,
Instituto Aevum
Brazil
